Structural & Preservation Rhinoplasty

Foreword

Dear colleagues,

It is indeed a pleasure to present the third in a series of IAAPS online aesthetic surgery courses. We are privileged to have this galaxy of stars in rhinoplasty on one platform. Our heartfelt appreciation to the course directors Drs Kapil & Lokesh for putting together this fine program. This course is sure to improve our understanding of the current concepts in rhinoplasty as also our outcomes. We wish everyone a safe and Happy New Year in these pandemic times. Hopefully life will be under better control soon and we shall meet in Person in Goa in March for an academic, social cultural and sporting feast.

Best Wishes,

Dr. Sandeep Sharma
