

VDAEPC

Guiding Principles

1

PATIENT HEALTH AND SAFETY ARE ALWAYS OUR NUMBER-ONE PRIORITY AS PLASTIC SURGERY EXPERTS AND VDAEPC MEMBERS.

2

WE ALWAYS OFFER PATIENTS THE BEST POSSIBLE PROFESSIONAL CONSULTATION, WHICH INCLUDES A COMPREHENSIVE EXPLANATION OF TREATMENT-ASSOCIATED RISKS AS WELL AS FEASIBLY ACHIEVABLE RESULTS.

3

WE REFUSE TO PERFORM HIGH-RISK PROCEDURES OR COMPLY WITH ANY PATIENT REQUESTS THAT WE AS RESPONSIBLE DOCTORS CANNOT JUSTIFY.

4

WE MAKE MEDICAL DECISIONS INDEPENDENTLY OF FINANCIAL INTERESTS.

5

WITHIN THE FIELD OF AESTHETIC-PLASTIC SURGERY, MEMBERSHIP IN THE VDAEPC STANDS FOR EXCEPTIONAL QUALITY, CUTTING-EDGE STANDARDS, AND MAXIMUM PATIENT SAFETY.

6

AS AN ASSOCIATION OF PROFESSIONAL AESTHETIC-PLASTIC SURGEONS, WE EMBODY OUR VALUES OF PATIENT SAFETY, CONTINUOUS QUALITY ASSURANCE, AND TRANSPARENCY IN ALL OF OUR INTERNAL AND EXTERNAL INTERACTIONS.

7

WE ARE OPEN TO INNOVATION AND SUPPORT SCIENTIFIC RESEARCH. WE MAKE EVERY EFFORT TO DO TOP-QUALITY WORK AT ALL TIMES, AND WE STRIVE TO CONTINUE SETTING NEW STANDARDS.
